SUBJECT: Jury Duty in the Corporation Court of the
City of Alexandria

At a recent meeting with Judge Franklin P. Backus of the Corporation Court of the City of Alexandria, the following procedure was agreed upon with regard to jury service by Agency covert employees. When a covert employee is summoned for jury duty in Judge Backus' court, a member of this Office should telephone him personally and provide the Judge with the employee's name or leave a letter and a copy of the summons with his secretary. Judge Backus will then automatically excuse the employee from jury service.
